## Rezenerate

### Nano Infusion Treatment

\$33.00 Upgrade with any facial.

Rezenerate is the perfect marriage of science & beauty. This treatment addition will elevate any facial by infusing nutrient-rich ingredients 50% deeper within the skin for ultimate results, but with no downtime.

Your skin will be nourished and moisturized with new collagen and elastin produced. Sounds technical, but all you need to do is sit back and relax as spa professionals use the nano infusion to soothe, heal, and awaken the skin on your face. The result is instantly firmer and healthier skin you can see and feel.
